

## **QParks is looking for park designers for winter 2011/2012!**

You call snowparks your second home, you are an independent worker and a motivated snowboarder or freeskier? Then it's time to work with the greatest park-label in Europe. You are just right at QParks, as we are looking for skilled park designers for some of our top-snowparks in the coming season.

What we are looking for...

- experienced snowcat driver with park experience
- experience with park design
- motivation and enthusiasm for winter sports
- fascination for nature, snow and mountains

What we provide...

- independent management of QParks projects
- full employment and insurance
- accommodation and lift tickets
- cozy team atmosphere
- tremendous fun

You think you are just right for our team? So don't hesitate and send your application with pictures and references to [anita@qparks.com](mailto:anita@qparks.com). We are looking forward to hearing from you.\*

The QParks Team

\*Due to the EU – working guidelines for insurances, we are only able to employ applicants out of the 15 „old“ member states. These are Belgium, Luxemburg, Netherlands, Denmark, Finland, Sweden, France, Italy, Great Britain, Ireland, Austria, Germany, Greek, Spain and Portugal.
