

## Filming-, Cutting and Editing Internship with QParks – for the winter of your life!

**Imagine spending an awesome winter among friends, in midst the breathtaking sceneries of the most beautiful regions the Alps have to offer and getting paid for it! Unbelievable? Well... not quite!**

QParks, by far the biggest and most expanding snow- and terrain-park operator in the Alps region, is still searching for skilled and capable employees for some of the best parks you'll find across Europe. These include for instance some of the most prestigious and renowned resorts in Austria, for which we are searching two persons who film, cut and edit! One person is needed for the region montafon which includes the following QParks: NovaPark, Sajas Diedamspark, Snowpark Lenzerheide, stanton park St. Anton. The second region, which needs one skilled "stagehand" for the support of our team, is Zell am See/ Kaprun with the Snowpark Kitzsteinhorn, DC Areas 43 Kitzbühel, Snowpark Gastein and also the Horsefeathers Superparks Planai and Dachstein.

### Activities

- Handling of freestyle orientated park-shootings
- Autonomous, individual filming from action, scenics, lifestyles, parkoverviews, imageshots besides the organized shootings
- Professional cut and post-production of the film material depending on the required film product
- Autonomous organization and coordination of filmshootings
- Improvement and structuring internal working processes
- Conceptual design and creative realization

### Required Skills

- We are searching scene connected persons who have a strong connection to freeski and snowboard sports.
- Appropriate education or experience in filming
- Equipment of present technical standards and according know-how
- Good computer skills, secure and fast handling of cut-specific software
- Good English and German
- Web-affinity and knowledge of the present social media platforms (facebook, twitter) advantageous
- Autonomous, task-oriented thinking, ability to work under pressure and good teamwork are premise
- Portfolio with your works
- Own car

The most important however, is being motivated and showing enthusiasm for winter sports. We are concerned about offering the highest quality to both our customers and visitors; however, we never forget that our work is supposed to be fun and entertaining, wherefore the atmosphere within our team is always friendly and close. The best aspect of the job will be definitely spending an awesome winter in the snow, living in one of the most picturesque and prestigious regions of the Alps! Salary is negotiable, lift-pass and accommodation will be provided.

You love spending winter-days being out in the 'white magic' and you're confident that you are the best man/woman our team can get? Well then, don't hesitate and convince us, we're looking forward to receiving your applications to [michael.putz@qparks.com](mailto:michael.putz@qparks.com). You are welcome to also send us some creative stuff such as videos, pictures, whatever!

**So get to work and see you up in the snow!**
